GROWING TOGETHER AS THE BODY OF CHRIST

School Based Fees 2018

Dear Parents and Caregivers,

A valuable part of your child's schooling comes from experiences provided from activities and excursions. These activities are planned as part of your child's education and form a vital part of the learning program that is carefully planned by the teachers.

The cost of the activities/excursions are referred to as an "Activity Fee" and are part of the School Based Fees. These are kept to a minimum whilst attempting to maximise the learning gain. With careful planning, our Activities have been booked for the full year and the costings have been based on attendance numbers. Therefore, we will only be able to process a refund for the year 5 and 6 students who are unable to attend their YMCA Camp Yarramundi or Canberra overnight excursion, where a Doctor's Certificate is provided. We are looking forward to these exciting events during 2018.

2018 Resource Fee. The Resource Fee will be \$210 for all students for 2018. This fee covers the cost of paper, some stationery items, craft material, etc. This fee will also allow us to progressively upgrade our technology stocks and maintain our infrastructure adequately. In 2018, the Resource Fee will be \$210.

Thank you for your ongoing continued support of our school and if you have any questions, please do not hesitate to contact me.

Mr Paul Devlin
Principal
