

## 2018 CLASSROOM REQUIREMENTS

Our orders have been placed for general materials for classroom use in 2018. Much of the cost of these items are covered by the school Resource Fee.

Below are items that you may wish to purchase for your child's use at school. They also make great Christmas stocking fillers. For Grades 2-6 it is most important that each item has your child's name on it so they can identify and care for their property.
