

Corpus Christi Primary

GROWING TOGETHER AS THE BODY OF CHRIST

Dear Parents,

As part of the Kindergarten Science and Technology Unit 'What's it made of?', **your child will be making a waterproof wind chime at school on Tuesday 6th March 2018.** Please bring in these materials by **Monday 5th March 2018.** We are asking that your child bring in materials from home that they could make the wind chime with. These may include paper, cellophane, popsticks, foil, plastic bags, tape, string, coat hangers, corks, plastic contact, pegs etc.

Thank you for your consideration.

Miss Archer, Miss Rydzewski and Miss Fraser
