

Open School - 2018

19.02.18

Dear Parents and Caregivers,

Open School experiences were increased last year at Corpus Christi Primary to allow families the opportunity to visit the classrooms more often and see the classroom learning of their children first hand. Following this successful program, we will continue the practice this year. The intention of the Open School experience is to provide families the time to enter the classroom and spend time with their children as they share their learning. This might take the form of browsing the work books and / or viewing the classroom displays that represent current learning focuses.

Open School is often conducted on the same day as another event for the school to make it easier for families to attend. Below is a table outlining all the Open School events for the year. These dates are on the school calendar for parents to reference and will only be altered as a last option. If any date is changed, the school will advertise the new date through the newsletter.

Term	Date	Time	Follow on event
1	08.03.18	8.25 - 9.00am	Catholic Schools Week Mass - 9.15am
	11.04.18	2.30 - 3.30pm	-
2	11.05.18	8.25 - 9.15am	Mother's Day Liturgy 9.30am
