Dear Parents/Carers Residing in Jordan Springs,

I have been in contact with Busways in regards to a direct bus from Jordan Springs to Corpus Christi and in order to obtain the government funding for this bus service it is essential that all students register for a student OPAL card (even if parents plan to drive their child/ren to school for the time being). Funding will not be approved unless Transport for NSW has data to confirm that there is a demand for a bus required in this area.

I am requesting that all student's residing in Jordan Springs register for an OPAL card by completing the online application via the following link:

To make a new application:

<https://apps.transport.nsw.gov.au/ssts/applyNow>

To update details for current card:

<https://apps.transport.nsw.gov.au/ssts/updateDetails>

General information about student OPAL cards:

I thank you for your assistance regarding this matter.

Yours sincerely,

PAUL DEVLIN
