

Corpus Christi Primary

GROWING TOGETHER AS THE BODY OF CHRIST

Monday 18th March 2019

Dear Parents,

As part of the Year 2 Geography Unit 'People and Places', your child will be making a diorama of a place in Sydney, either the Sydney Harbour Bridge, Luna Park or the Three Sisters. This diorama will be made at school on Tuesday 26th March 2019. We are asking that your child bring in materials from home that they could make the diorama with. These may include paper, cardboard, cellophane, popsticks, foil, plastic bags, tape, string, corks, plastic contact, pegs, lego, paper cups, playdough etc. Please bring in these materials by **Monday 25th March 2019**.

As well as the diorama, your child is to make a short 2 minute oral presentation about the chosen place. This can include a description of the place, where it is located, what you can do there and why it is unique or important. Your child has begun researching this in class, but are asked to prepare the speech at home to share during week 10. The oral presentation is due the **1st April 2019**.

Thank you for your consideration.

Miss Archer, Mrs Betros and Mr Kroon.
