SPECIAL VISITOR TO CORPUS CHRISTI - NEXT TUESDAY

Dear Parents and Caregivers,

On 28 February, our school will host an educational meeting with Lyn Sharratt. Lyn Sharratt is an academic partner for our diocese and is an exceptional educational leader from Canada who is recognised worldwide for her work in schools. Lyn will host a 3 hour meeting at Corpus Christi from 8:30am till 11:30am with approximately 50 educational leaders from our diocese. During the visit, Lyn and the meeting delegates will tour our school while focussing on our successes and challenges. This is a significant event for our school as we have the chance to showcase the wonderful learning that is taking place for our students and teachers.

As a result of the meeting, the delegates will arrive at approximately 8:00am and this will impact on car space availability during the morning. Please be aware that it will take longer to drop your child off on that morning and less car spaces will be available. Thank you for your understanding in this matter.

Yours in education,

Paul Devlin
Principal

'ZERO TOLERANCE' OF ILLEGAL PARKING IN SCHOOL ZONES TO PROTECT YOUR CHILD

When it comes to the safety of vulnerable road users like school children, drivers found breaking the law will be met with zero tolerance. Children are small, harder to see, behave unpredictably and are extremely vulnerable. They need you to take extra care when driving and parking around school zones.

WHEN AN OFFENCE IS DETECTED A FINE AND 2 DEMERIT POINTS APPLY

Illegal parking around schools endangers children's lives.

FACTS

If you've heard the expression "It's only a matter of time until someone gets hurt", then you understand why it is important for everyone to obey the road rules. A child hit at an impact speed of 30km/hr has a 99% chance of surviving. At 70km/hr the chance of survival is less than 7%.
