Dear Parents,

Although not a 'Newsletter Day' – this will be the final communication for 2014.

Thank you to the many parents who have provided such lovely positive feedback on what they see have been the successes of the year for their child/ren. We have been overwhelmed by the positive feedback and encouraged by those families who have indicated where we could improve – most of this feedback has come via talking with parents, emails and letters over the past few weeks and we thank you most sincerely for the feedback.

As this is the last Newsletter of the year I would like to express my personal thanks for the hard work and dedication of the staff of our school. I am particularly indebted to the Leadership Team who have supported the learning and spiritual life of our school – my thanks to Mrs Tonnet, Mrs Shahoud, Mrs Sloan, Mrs Boyer, Mrs Ahern, Mrs Anderiesz and Mr Manton. The teaching staff work tirelessly for the children of this school and I continued to be amazed at their talents – a very big thank you to each teacher. Our school is also blessed with an outstanding support team of Office Staff, Teachers' Aids, Maintenance and Cleaning Staff – my thanks to each of them. Being part of the Corpus Christi Parish, we are also blessed to have Fr George who is always happy to work with us and make our faith community stronger.

Finally thank you to each of our families for your support and encouragement – I wish you and every member of your family a very happy and holy Christmas. May 2015 bring you much joy and many successes. For those families moving out of the area or changing schools, we wish you every success. I look forward to seeing all our other families in the New Year – refreshed and ready for learning.

Please find enclosed acknowledgement of student awards, a list of staffing for 2015 and information about starting the new school year.

During 2015 Mrs Monica Sloan will be taking Long Service Leave and we wish her a very successful year. While Mrs Anderiesz is on Maternity Leave in Term One 3B will be taught by Miss Sarah Archer who is a teacher very familiar with our school. In 2015 we will also welcome a new School Counselor Mrs Deb Robinson.

From my family to yours I wish you all a very happy and holy Christmas.

Richard Blissenden  
Principal

### The True Meaning of Christmas

I found this a few years ago and I think it is wonderful – it is reprinted here but can be viewed on line at <http://www.lerrah.com/truemeaningofchristmas.htm>

Just a week before Christmas I had a visitor. This is how it happened. I just finished the household chores for the night and was preparing to go to bed, when I heard a noise in the front of the house. I opened the door to the front room and to my surprise, Santa himself stepped out next to the fireplace. "What are you doing?" I started to ask. The words choked up in my throat and I saw he had tears in his eyes. His usual jolly manner was gone. Gone was the eager, boisterous soul we all know. He then answered me with a simple statement . . .

"TEACH THE CHILDREN!" I was puzzled. What did he mean? He anticipated my question and with one quick movement brought forth a miniature toy bag from behind the tree. As I stood bewildered, Santa said, "Teach the children!

Teach them the old meaning of Christmas. The meaning that now-a-days Christmas has forgotten." Santa then reached in his bag and pulled out a FIR TREE and placed it before the mantle. "Teach the children that the pure green colour of the stately fir tree remains green all year round, depicting the everlasting hope of mankind, all the needles point heavenward, making it a symbol of man's thoughts turning toward heaven."

He again reached into his bag and pulled out a brilliant STAR. "Teach the children that the star was the heavenly sign of promises long ago. God promised a Saviour

for the world, and the star was the sign of fulfilment of His promise."

He then reached into his bag and pulled out a CANDLE. "Teach the children that the candle symbolizes that Christ is the light of the world, and when we see this great light we are reminded of He who displaces the darkness."

Once again he reached into his bag and removed a WREATH and placed it on the tree. "Teach the children that the wreath symbolizes the real nature of love. Real love never ceases. Love is one continuous round of affection."

He then pulled from his bag an ORNAMENT of himself. "Teach the children that I, Santa Clause, symbolize the generosity and good will we feel during the month of December."

He then brought out a HOLLY LEAF. "Teach the children that the holly plant represents immortality. It represents the crown of thorns worn by our Saviour. The red holly berries represent the blood shed by Him.

Next he pulled from his bag a GIFT and said, "Teach the children that God so loved the world that he gave his begotten son." Thanks be to God for his unspeakable gift.

Santa then reached in his bag and pulled out a CANDY CANE and hung it on the tree. "Teach the children that the candy cane represents the shepherds' crook. The crook on the staff helps to bring back strayed sheep to the flock. The candy cane is the symbol that we are our brother's keeper."

He reached in again and pulled out an ANGEL. "Teach the children that it was the angels that heralded in the glorious news of the Saviour's birth. The earth peace and good will toward men."

"Teach the children that it was the angels that angels sang Glory to God in the highest, on

Suddenly I heard a soft twinkling sound, and from his bag he pulled out a BELL,. as the lost sheep are found by the sound of the bell, it should ring mankind to

the fold. The bell symbolizes guidance and return.

Santa looked back and was pleased. He looked back at me and I saw that the twinkle was back in his eyes. He said, "Remember, teach the children the true meaning of Christmas and do not put me in the centre, for I am but a humble servant of the One that is, and I bow down to worship him, our LORD, our GOD."

# Merry Christmas To All!

Each year the teachers present 3 awards per class for students who display excellence in a number of areas. The three awards are for displaying:

### **Care and Compassion**

Students demonstrate this through their interactions with classmates in and outside the learning space. They include people in learning activities, invite them into games on the playground and demonstrate compassion for those in need. In addition these students articulate a concern for the poorest of the poor, are actively involved in fund raising or awareness raising for people less fortunate than themselves.

### **Communication and Co-operation**

Students demonstrate this through the way they speak with each other, staff and visitors. They are often the first to volunteer to help, they are quiet leaders – although not always 'first'. They encourage others.

### **Effort and Persistence**

Students demonstrate this through constantly 'having a go'. They rarely give up and try multiple ways to achieve their goal. They show the quality of being determined to do or achieve something and have firmness of purpose.

### Year Six Graduation Ceremony Awards

When you enter Corpus Christi through the office you may have noticed our 'Roll of Honour' plaque displayed proudly for all to see. These names have been engraved since 2002 and acknowledge our School Captains, Academic Achievement, Leadership, Sporting Achievement and School Spirit. The recipients of this year's awards were:

**Academic Award:** Megan Cooper, Shannon Mohanraj and Nicholas Camilleri

**Leadership Award:** Trent Whitbread, Alannah Hader and Rebecca Hocking

**Sport Award:** Jacob Bulluss, Nathan Chambers and Hayden Adams

**School Spirit Award:** Matilda Dib, Sophia Biordi and Finlay Bellamy.

Miss Fiona Scott MP, Federal Member for Lindsay presented the 'Community Spirit Award' to Trent Whitbread and on behalf of Stuart Ayres, MP, she presented the 'All-Rounder Award' to Hayley Crane.

Congratulations to each of these students for their outstanding achievement,  
 The Year Six Team.

### Year Six Parent Fundraising Committee

This Year we have had three major fundraising events in order to provide students with the fantastic end of year opportunities. These events included the K-6 Disco, Cadbury Chocolates and the Bunnings BBQ. Without the support of the Year Six Parent Fundraising Committee and the parents who were able to assist at these events, we would not have raised a total of \$6000. Without the involvement and generosity of these parents, these events would not have been a success. The students were able to enjoy their Year Six Motiv8 sports day, dinner and disco. The students will be using the remainder of the fundraising money to purchase an outdoor television that will showcase student work, learning and reminders and aligns with our theme of 'On-Screen in 2014'.

Thank you for all of your help,  
 The Year Six Team.

## **MATHEMATICS ASSESSMENT INTERVIEW (MAI)**

**Tuesday 27<sup>th</sup> January and Wednesday 28<sup>th</sup> January 2015**

Yesterday your child should have received a letter regarding the login details for the MAI (Mathematics Assessment Interviews). These will be held at the beginning of Term 1 on either Tuesday 27<sup>th</sup> January OR Wednesday 28<sup>th</sup> January 2015. You will need to book a session/s for your child/children to be assessed using PTO. This is an **online internet-based booking system** called Parent Teacher On-Line (PTO). It will enable you to choose time slots that suit you and your family's commitments. If you have more than one child you can book them all in at the same time, as long as the timeslot is still available. This assessment will take place in your child's 2015 Learning Space. You are requested to bring your child/children to school for the assessment and wait for them while it is being done. **EVERY CHILD K-6 WILL NEED TO BE ASSESSED.**

## **TALKING WITH CHILDREN ABOUT VIOLENCE AND INJUSTICE**

Parents sometimes feel unsure about how to talk with their children about violence and injustice. A natural reaction is to protect and shield your children from unpleasant and distressing facts; however, the majority of school-age children are aware of events in the news that involve violence. If not acknowledged and discussed, the worries and anxieties of children about these world events can become too frightening and difficult for them to deal with.

Children usually feel less threatened and helpless if parents respond as openly and honestly as possible to their questions and fears. Following are some useful steps that you can use that offer hope to children:

- Always listen first, and listen closely to what the child is asking or saying, to decide if they are seeking factual information, or if the questions are expressing anxiety.
- Allow the child to tell you how they feel. Let them know that it is reasonable to feel angry, depressed, anxious, sad or helpless.
- Find out what the child already knows in case they have mistaken ideas or facts, and correct any misconceptions.
- Keep your answers appropriate to the child's age, level of understanding, and their emotional maturity. For example, it would be inappropriate to go into details about terrorism with a preschooler, however many 12 year olds may need a longer and more detailed discussion of these issues.
- Sometimes it may help to talk about your own feelings and how you have coped, but do not burden the child with anxieties that they are unable to handle. It is important to contain your own emotions in front of your children. Inform your child that millions of people all over the world are concerned about the problems of violence and injustice and are actively working for peaceful solutions.
- Control access to the media so that your child can maintain a balanced perspective on events. It can be easy at such times for 'saturation' to occur.
